

Adverbs of frequency

Bijwoorden van frequentie

Meester Gijs

Bijwoorden van tijd gebruik je om aan te geven hoe vaak/weinig iets gebruikt. Aantal voorbeelden: always, usually, often, sometimes, rarely, never, seldom, frequently, etc.

His father often works in London.

We are sometimes late at school.

His father often works in London.

I seldom do the dishes right after dinner.

We should always have English on Mondays.

You would rarely have seen me if it wasn't for Tim.

We are sometimes late at school.

She is never angry.

His father often works in London.

I seldom do the dishes right after dinner.

We should always have English on Mondays.

You would rarely have seen me if it wasn't for Tim.

We are sometimes late at school.

She is never angry.

Bijwoorden van tijd staan **vóór** het hoofdwerkwoord, ook als er een hulpwerkwoord in de zin staat...

His father often works in London.

I seldom do the dishes right after dinner.

We should always have English on Mondays.

You would rarely have seen me if it wasn't for Tim.

..behalve bij het werkwoord **to be**, dan **erachter!**

We are sometimes late at school.

She is never angry.

Bij meer dan 2 werkwoorden staat het bijwoord van tijd achter het eerste *hulpwerkwoord*... en voor de andere *twee of meer werkwoorden*.

You would rarely have seen me if it wasn't for Tim.

He could never have built that house by himself.

The book will never be sold out without PR.

Exercise:

Put the adverbs of frequency in the right place in each sentence.
